Hon. NANCY PELOSI,  
Speaker, House of Representatives,  
Washington, DC.

DEAR MADAM SPEAKER: This is to notify you formally, pursuant to Rule VIII of the Rules of the House of Representatives, that I, in my capacity as Custodian of Records for the Office of the Chief Administrative Officer, have been served with a subpoena for documents issued by a grand jury in New York County, New York.

After consultation with the Office of General Counsel, I have determined that compliance with the subpoena is consistent with the privileges and rights of the House.

Sincerely,

PROVIDING FOR CONSIDERATION OF SENATE AMENDMENT TO HOUSE AMENDMENT TO SENATE AMENDMENT TO H.R. 4853, TAX RELIEF, UNEMPLOYMENT INSURANCE REAUTHORIZATION, AND JOB CREATION ACT OF 2010

Ms. SLAUGHTER. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 1766 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

## H. RES. 1766

*Resolved*, That upon the adoption of this resolution it shall be in order to debate in the House the topics addressed by the motions specified in sections 2 and 3 of this resolution for three hours equally divided and controlled by the chair and ranking minority member of the Committee on Ways and Means or their designees.

SEC. 2. After debate pursuant to the first section of this resolution, it shall be in order to take from the Speaker's table the bill (H.R. 4853) to amend the Internal Revenue Code of 1986 to extend the funding and expenditure authority of the Airport and Airway Trust Fund, to amend title 49, United States Code, to extend authorizations for the airport improvement program, and for other purposes, with the Senate amendment to the House amendment to the Senate amendment thereto, and to consider in the House, without intervention of any point of order except those arising under clause 10 of rule XXI, a motion offered by the chair of the Committee on Ways and Means or his designee that the House concur in the Senate amendment to the House amendment to the Senate amendment with the amendment printed in the report of the Committee on Rules accompanying this resolution. The previous question shall be considered as ordered on the motion to final adoption without intervening motion.

SEC. 3. If the motion described in section 2 of this resolution fails of adoption, the previous question shall be considered as ordered on a motion that the House concur in the Senate amendment to the House amendment to the Senate amendment, on which the Chair shall immediately put the question.

SEC. 4. Until completion of proceedings enabled by the first three sections of this resolution—

(a) the Chair may decline to entertain any intervening motion, resolution, question, or notice;

(b) the Chair may postpone such proceedings to such time as may be designated by the Speaker; and

(c) each amendment and motion considered pursuant to this resolution shall be considered as read.

## ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. The Chair would remind all Members that cell phone use in the House Chamber is not permitted.

The gentlewoman from New York is recognized for 1 hour.

Ms. SLAUGHTER. Mr. Speaker, for the purpose of debate only, I yield the customary 30 minutes to the gentleman from California (Mr. DREIER). All time yielded during consideration of the rule is for debate only. I yield myself such time as I may consume.

## GENERAL LEAVE

Ms. SLAUGHTER. I also ask unanimous consent that all Members be given 5 legislative days in which to revise and extend their remarks on House Resolution 1766.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from New York?

There was no objection.

Ms. SLAUGHTER. Mr. Speaker, since I made a rather lengthy speech at our first rule this morning, I am going to be giving up my time to other Members.

So I will at this point reserve the balance of my time.

Mr. DREIER. Mr. Speaker, I thank my friend from Rochester for yielding me the customary 30 minutes and yield myself such time as I might consume.

(Mr. DREIER asked and was given permission to revise and extend his remarks.)

Mr. DREIER. I think it is very important for us to understand exactly what is taking place here.

About 5 minutes ago I was downstairs and told to appear on the House floor. I am here. I know that there has been a Democratic Caucus held to deal with the changes. I know that lots of people have been following what has transpired over the past few hours, and I think that before we proceed, it would be best for the distinguished chair of the Committee on Rules, Mr. Speaker, to explain to us sort of what's happened and what we're doing and what specific changes Members can anticipate in this rule.

I would be happy to yield to my friend from New York.

Ms. SLAUGHTER. Thank you for yielding.

There are very few changes, if any. The caucus in the Democratic Party is really the most important part of our side of the House. The Speaker is meticulous about working with them to achieve consensus. Frankly, we had a rather raucous meeting this morning at the caucus and it was decided that it would be better if we recessed and took some time to see where we were and to make sure that all facets of the caucus had been listened to. But as I said, there will probably be very little change, if any, from the rule we had this morning.

Mr. DREIER. Well, Mr. Speaker, if I could reclaim my time, there may be
